“The enemy of our souls is the master deceiver because that is all he can do. The devil cannot change reality. He cannot change the fact that God loves you with all of this unlimited love and that Christ died for the sins of the entire world, which has to include every sin you have ever committed. So all he can do is mess with your feelings, hoping that you will start to believe them rather than believe in the power of Christ and the love of God.”

This Service will be video recorded and edited to include singing and the sermon. If you have any questions, please contact the pastor for more information.
